International School of  
Technology and Management

The **International School of Technology and Management** and **College of Business** at Feng Chia University (FCU) are currently seeking applicants to fill two full-time assistant professor positions in Business Analytics, with expertise in quantitative business analytics, data mining, data science, analytic methods for big data, or a related field. FCU and San Jose State University (SJSU) offer dual-degree Bachelor's program in Business Analytics. On successful completion of all program requirements, students will be awarded two degrees: Bachelor of Business Administration by FCU and Bachelor of Business with concentration in Business Analytics by SJSU.

In this assistant professor position you will:

- teach undergraduate and postgraduate level courses in English.
- make contributions to the research strengths of the school, including the pursuit of research grants and publications in international journals of high standing
- supervise research projects of higher degree students
- engage in interdisciplinary collaborations research with the University and industries in Silicon Valley and Taiwan.
- contribute to teaching and learning such as curriculum innovation, course development and student development.

The ideal candidates must be able to demonstrate the following criteria;

- the completion of a PhD in Business Analytics, Statistics, Decision Sciences or a related field
- ability to conduct high quality teaching and research in Business Statistics, Quantitative Business Analytics,
- evidence of collaborative teamwork and collegial approach.
- Fluency in written and spoken English is essential.

Feng Chia University, one of oldest private universities in Taiwan, located at the hub of the global industrial heartland. It is well positioned to nurture a new generation of industrial leaders. International School of Technology and Management, the newest addition of Feng Chia University was designed and built with consultation by a group of international scholars. Feng Chia University has been accredited with AACSB and IEET.

Applications should include a letter of interest, a current vita, undergraduate and graduate transcripts, three (3) letters of recommendation, and the candidate's personal philosophy of teaching, learning, and commitment to undergraduate and graduate business statistics/Business Analytics studies.

Applications will be accepted for this position until April 30, 2016 or until the position is filled. Specific enquiries about the role can be directed to Professor Cathy W.S. Chen, email: [chenws@mail.fcu.edu.tw](mailto:chenws@mail.fcu.edu.tw)
