Professor of Biostatistics,
University of Pennsylvania

with moderator
JINGYI JESSICA LI

University of California,
Los Angeles & COPSS
Leadership Academy

Topic: Leadership at the Intersection of Statistics & Genomics

Join us for our another insightful webinar on the topic of
leadership in the field of statistics genomics!

The focus of this event will be to discuss how to successfully
bridge the interests of statistics & data science and genetics
& genomics, and how statisticians and data scientists can
build strong collaborations in both worlds.

*Statisticians and data scientists at any stage in their careers
are invited to attend.*

FRIDAY, MARCH 29, 2024
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM
PRE-REGISTRATION
REQUIRED
