New Graduate Skills and Tips Webinar
Wednesday, May 18, 2022
12:00-1:15 PM ET

What are the skills I need to get a job in data analysis?

Listen and learn from four experts in data science about the skills they look for most when hiring new graduates.

Are you looking for topics and skills to learn in college? Have you recently graduated but want to add more skills?

If yes, then this panel discussion is for you.

Speakers:

Giri Narasimhan (FIU)

RB Lenin (Dillard's)

Coleen Cloyd (Eli Lilly and Company)

Cindy Song (BeiGene)
