## Houston

Houston is the fourth-most populous city in the United States. Notable facilities include the Museum District, the Houston Zoo, and NASA's Space Center. Houston is the seat of the internationally renowned Texas Medical Center (TMC), the largest medical complex in the world including University of Texas Health Science Center at Houston, MD Anderson Cancer Center, Baylor College of Medicine, Memorial Hermann Hospital, The Methodist Hospital, and Texas Children's Hospital. Several universities of higher education such as The University of St. Thomas, University of Houston, and Rice University are located within the city.
